2008 Kamiak Rock Lake Red

COLUMBIA VALLEY

WINEMAKER'S COMMENTS

The interplay of the four grapes come together in the 2008 Rocklake Red to make an extraordinary wine. Aromas of smoked anise, violets, rose petal, wild game, pencil lead and cherry playfully intertwine with hints of juniper berry. The entry of this wine is soft and silky--lots of bright fruit flavors combine with savory elements sprinkled with black pepper. Tannins in this wine are firm but approachable and give the wine a lingering plum finish.
